The following questions comprise some of the most frequently asked questions by practitioners during the TAPP re-branding process:

- **I completed the AECPDS Practitioner Application. Do I need to complete a TAPP Practitioner Registry Application to be a member of the Registry?**
  - No. If you are a member of the AECPDS Registry, you are a member of the TAPP Registry. Remember, the only thing that has changed is the name and the logo.

- **Will I receive a new Registry identification number now that the Registry has changed its name?**
  - No. Your Registry ID number will remain the same.

- **Has the TAPP Registry’s website changed its address?**
  - No. The Registry’s website address will remain as [http://professionalregistry.astate.edu](http://professionalregistry.astate.edu). The TAPP Registry staff is in the process of updating the website and adding new features that will be useful to you as an early childhood practitioner. Be on the outlook for these changes!

- **How do I view my Training Transcript, or my level of the SPECTRUM?**
  - The process of viewing your Training Transcript remains the same. Visit the TAPP Registry’s website at [http://professionalregistry.astate.edu](http://professionalregistry.astate.edu) and click on “Registry Member’s Personal Data Page”. You will use your TAPP Registry ID number and password to log on.

- **I need to find registered training. Where do I go now that the name of the Registry has changed?**
  - You are still able to search and register for registered trainings online through our website. You will notice that the registration screen has been updated to make the registration process more efficient.

- **Whom do I contact if I have a question regarding the TAPP Registry?**
  - The Registry’s contact information has not changed. You can contact the Registry staff via email at: prof_registry@astate.edu, via phone at (888) 429-1585, or via fax at (870) 972-3556.
